Join the group on the second and fourth Thursday of the month at 10:00 a.m. (April 11 and 25) to consider the possibilities!

TEXT: Colossians 3:1 NIV '84

The WHFMS will host a **World Day of Prayer** service on Friday, April 12, at 11:00 a.m. in SMR/DR. Peter Ard will be the speaker. Palestine is the featured area. On Feb. 2, 2024, the Harold Patterson School in Monrovia, Liberia, burned to the ground. The building and all its contents were destroyed. This ministry is vital to the community and to the approximately 130 students who attend there. Currently, they are meeting in neighboring areas.

All proceeds will be sent to help with immediate needs. If you would like to donate baked goods for this sale, please bring them to the WHFMS table by 8:00 the morning of the sale. If you have any questions, please contact Barbara Phipps or Becky Mahler. Thank you for your prayerful support for this serious need.

MEMBER SERVICES

James Sutter—386-658-5400

Until further notice, we are adjusting the schedule for Wednesday shopping trips beginning with next week (April 17, the third Wednesday of the month) to the following:

- First Wednesday morning of the month: Drop off at Publix and park at Walmart
- Second Wednesday afternoon of the month: Drop off at Publix and park at Walmart
- Third Wednesday morning of the month: Drop off at Winn Dixie and Save A Lot and park at Walmart
- Fourth Wednesday afternoon of the month: Drop off at Winn Dixie and Save A Lot and park at Walmart

While the new schedule will reduce the number of trips each Wednesday to only one (morning or afternoon), it will actually give those who want to shop at Publix, Winn Dixie or Save A Lot more options.

Do you like to iron or at least find the results of ironing worth the effort? We are in need of several volunteers to iron tablecloths for two upcoming events. For each event, we need approximately 50 round tablecloths ironed. If you are willing to utilize your own iron and ironing board in the OPR the 15th, 16th, 22nd, and/or 23rd to prepare for events on the 20th and 25th, please call MS. The more who volunteer, the less work it will be for everyone. Feel free to recruit some friends! Thanks in advance.

Member Services Tip of the Week

The IC is currently updating their records with your supplied information to print a new telephone directory. It used to be that the telephone directory included both the Member Handbook and the Emergency Preparedness Guide. This is no longer the case. If you need a Member Handbook and/or Emergency Preparedness Guide, they can be picked up from MS.

Scam Tip of the Week: Electronic Theft

There are several ways thieves can steal from you. One of the most prevalent ways is to remove funds from an account you hold through electronic means. Unless all of your money is kept under your mattress, every account with your name on it can be accessed electronically.

Institutions go to great lengths to keep their systems safe, but every computer system is susceptible to theft because every system is connected to the internet. If a thief is smart or clever enough, they will find a way to access your money.

The sooner you discover a problem, the more likely it is that you'll be able to get your stolen money back. Check every account you hold — bank account, Paypal savings account, credit card account, Cash App account, etc. — regularly to make sure no unauthorized activity has appeared. Some even suggest to check daily. If you see anything suspicious, contact the account holder immediately. It may require you to fill out forms, or even to close the account. It is tedious, but necessary.

ACV SERVICE COORDINATION

Any resident who had Alexis Allen as their service coordinator is encouraged to contact MS at 658-5400 with any requests or concerns. They will be connected with Emily Peacock or Ashley Scarborough during the interim.

VILLAGE LIBRARY

Monday–Friday

10:00 a.m.–12:00 noon & 1:00–3:00 p.m.

Brenda Reas, Reporter

A generous donor gave us several sets of DVDs last week. Among them are 11 seasons of *Midsomer Murders*, eight seasons of *Foyle's War*, five seasons of *Endeavor*, and seven episodes of *Jesse Stone* starring Tom Selleck. These are all located on the sets and collections carousel to the right of the windows. More will be coming later.

Please have your ACV ID badge available when you come to check out books and DVDs. We are located in the Schoolhouse Room between the OPR and IC. Our drop box is located around the corner across from the restrooms (beneath the bulletin board), and you may return books and DVDs there at any time.

PEN PAL PROGRAM

A Committee of the Membership Association
Monica Serlick, Reporter

Make sure to confirm your attendance with Monica by April 21 as a head count must be submitted by the 22nd. The end-of-year awards banquet will be held at the FSyr on Tuesday, May 14, from 6:00 to 8:00 p.m. There will be a bus going, and the pen pals who will be riding the bus need to reserve and pay \$4.00 as soon as possible to ensure a space is saved for you. Those who are late reserving a space will have to go by car.

Please remember to write. Even though they don't always write a lot, they do look forward to hearing from you every week. Many of them actually save your letters.

IMPORTANT: There are still eight pen pals who have not provided their letters and risk having their youth eliminated from the selection process. Please get the letters you received in order from first letter to most recent on top. Either mail them to me or leave them at the IC for me to pick up as soon as possible. My team will complete reviewing letter format by April 17 to see who has become the most improved writer and winner of the award. Please send your folder or envelope to me at P.O. Box 4011. They will all be returned to you afterwards. The winner will be the recipient of the prepaid shopping card that will be purchased in late April and presented to them at the May Awards Banquet at the FSyr.

If you would like to be a pen pal please contact me at (386) 330-4865 and leave a message. I will call you back.

NEIGHBORHOOD NEWS

BUTTERFIELD ACRES

Jack "CrackerJack" Dixon, Reporter

I do hope y'all had the opportunity to watch the eclipse this week. As it turned out, I had the same experience with the eclipse as I did with the ball dropping in Time Square on New Year's Eve: I slept right through it! I had all good intentions of watching it, but it was after lunch, and we all know what happens next — NAP TIME — so there I sat in my oh-so-comfy recliner, sound asleep right through the entire thing. My wife said I didn't miss much as it just got a little dark, and that was all. Oh well. It is for sure I won't be around for the next one, and I am not going to lose any sleep over it now.

My little sister, Marcia, is visiting with us now for a couple of weeks, and we are enjoying her being with us. She had a stroke about four years ago and still has to use a walker as well as her scooter for getting around at the stores and places like that. She is two years younger than I and lives in Naples with her daughter, son-in-law and two grandsons.

It grieves me so to report that Phyllis Klitzkie, our neighbor on 102nd Trail, has passed away this week at her daughter's home in Orange Park. Her service will be on Saturday, April 20, at 10:00 a.m. in BC, followed by a graveside service in Bixler Memorial Gardens East (by the Village Attic). A luncheon will be served at First Baptist Church of Dowling Park immediately following the service at the cemetery.

Arlene Williamson is taking her recovery one day at a time. Mike Hitchcock is mending well from his surgery. Allan Smith is also taking it one day at a time. Please remember to keep these folks and their families in your prayers as God continues to work His miracles.

We will be having another BA potluck on Friday, April 26, at 5:00 p.m. at the Harmony Center. This will be a "see ya in the fall" party to say "hurry back" to our neighbors who will be returning to the North for the summer. Everyone is invited to attend and bring a dish of your favorite food to share with everyone. We hope to see everyone there. Plate, cups, utensils and drinks will be provided.

We have our fair share of birthdays this month. To start out we need to wish Gene Peters, Jann Loderhose and Roger Swift belated birthdays. Gene's was the 4th, Jann's was the 6th, and Roger had another special day on the 9th. Bless you all, and we wish you many more to come. Carroll Polk celebrates on the 13th, Ann Perry's is the 14th, Kevin Nissley's is the 18th, Mike Hitchcock's is the 18th, Paula Lucas's is on the 20th, and last but not least, Linda DiBenedetto will turn another year older on the 22nd. We wish each and every one of you the best of birthdays and many more healthy years ahead of you.

gossips get caught in their own mouth trap. Politeness goes far, yet costs nothing.

From the veranda of our humble abode overlooking the ever-so-smooth and dust-free 102nd Trail in beautiful BA, try being polite to all you see, give them a big smile, and never forget who is in charge. Isaiah 40:28–31. God bless!

CARTER HOUSE **Monica Serlick, Reporter**

We have no anniversaries or birthdays for the rest of the month. Please continue to keep all those who are ill, recovering or struggling in your thoughts and prayers. If you have any news you would like to share with others, please call and give me details.

Diane Milnes just came back last Wednesday from a six-day vacation with family in Pensacola, Florida. She said they had lots of great food and fun together. "We shared many memories, much laughter, and had a wonderful time, but I am very glad to be back home in the country."

As I write this article and look out my window at the cloudy skies, I am thinking about the solar eclipse that should have allowed us to see at least 75% of it. I guess it wasn't meant to be for some of us unless we travelled to be in a position of being in a direct line of its path. Did you see it, and was it as spectacular as you expected? I watched it on YouTube "Through the Eyes of NASA (Official Broadcast)".

Remember to be respectful of other residents and visitors. Please do not confront anyone if you think they are violating any of ACV's rules or policies. If you see anything that you believe is out of the ordinary or inappropriate, please contact the IC at 658-3333 and report it. They will ensure someone is sent to check things out. A memorial service for Joanne Mott will be held on Saturday, April 13, at 11:00 a.m. in the VC. There will be a private cemetery service for Joanne at a later date. Donations may be made to the Village in memory of Joanne in lieu of flowers.

Happy post-eclipse day! I wondered as I watched, and as I heard on TV crowds cheering, how many of them saw God as they marveled over this once-in-a-lifetime event. To see God's glory and power as His hands moved His creation about in the heavens. It brings tears of joy and awe to my eyes! Thank you, Lord, for this privilege.

We wish a belated happy birthday to Kerry Burke-Mackenzie who recently moved into DH. She celebrated her birthday on the 6th of April. We hope you had a pleasant and blessed birthday, and welcome to ACV.

While in the elevator, a resident mentioned to me how she noticed the housekeepers working around the buildings and those who work in the apartments. She said it'd be nice if residents would offer some encouraging words to them, and thank them for all their hard work in keeping everything clean and tidy. I know I have thanked them; it lets them know that we care about and appreciate them and their good work ethic.

"In whatsoever ye do, do it heartily, as to the Lord, and not unto men; knowing that of the Lord ye

shall receive the reward of inheritance: for ye serve the Lord Christ" (Colossians 3:23–24).

No matter what position one holds, a worker is to perform their duties "heartily", being enthusiastic even over menial tasks, and with a sincere disposition, doing them not so much for their earthly boss (unto men), but more for their heavenly master (God).

Have a blessed weekend, and thank God for allowing you to be a witness of the eclipse, a display of His glory. Amen!

Hello again, ET! Happy anniversary to Al and Marilyn Yale on April 15. May God be with you, continue to protect you, keep you happy, and bless you as you continue this marriage journey. Happy anniversary!

We have so enjoyed the beautiful weather we've been experiencing. It puts me in mind of a verse from "How Great Thou Art" by Carl Boberg. The verse begins, "When through the woods and forest glades I wander and hear the birds sing sweetly in the trees ... then sings my soul ..." My soul has been singing at the wonder around us. The glorious blossoms, the ever-evolving greenery, the eye-popping blue of the sky ... I can scarcely take it in. Then came the solar eclipse, proof of God's infinitesimal attention to detail. It all fills my heart with joy and appreciation.

Joy the cat had a wonderful traveling trip over the past month. Graciously she allowed her housemates, Barbara and Jerry Hotmire, to accompany her. They first traveled to Panama City, Florida, to visit the Hotmires' granddaughter. After a weekend visit, Joy directed them to South Padre Island, which is on the southern tip of Texas. Joy was relieved to learn that the cost of gas was a moderate \$2.62 a gallon there. They stayed with friends and enjoyed the beach, although Joy wasn't too fond of the waves.

Next, Joy directed them to Brownsville where the Hotmires had served in a mission, traveling there for 14 winters from 1994. Joy also insisted on driving into Mexico as she had never been out of the states before — although her travel mates were familiar with the area.

Becoming homesick, Joy felt they should return home as she was worried that the gecko population might be getting out of hand. For those of you who haven't met Joy, she likes to walk on a leash and chase geckos to the extent of the tether, giving lots of arm exercises to her caretakers as she leaps and chases after the speedy little lizards.

Sybil and Errol Gillette are delighting in visits from their daughter, Robin, and her daughter, Meghan (both from Washington state), and the Gillette's son, Joel, from Kentucky. Another daughter, Marcia, from South Carolina, arrived on the 11th to join in. Sybil; Sybil's sister, Celeste (who lives at ACV); Robin; Meghan; and Joel joined the Monday night dominoes players, so the clacking of domino tiles had double volume as we divided into two tables. What a pleasure it was to have a family group join us for some talk and a little dominoes playing. We were all winners as we talked, laughed, and just enjoyed one another.

"There is something to appreciate in every moment of every day. Strive to find it as often as you can. Living with gratitude will change your life" (Anthon St. Maarten).

GOOD SAMARITAN CENTER AND DACIER MANOR **Bruce Arnold, Reporter**

On Monday, April 8, many from the ACV community turned their eyes to the sky to witness the Great North American Eclipse of 2024. At GSC and DM we also had the opportunity to see the eclipse using special eclipse glasses and a projected image from a 6" reflector telescope. We won't see another ellipse here in the contiguous 48 states again until the year 2045! There will be a total eclipse in 2026, but you'll have to travel to Europe or the Arctic to see that one.

NASA predicts that, since the moon is moving away from the earth at about 1.5 inches per year, and the sun is growing due to its consuming the fuel in its core, that one day we will not be able to witness this

spectacle any more. How disappointing that in another 563 million years we will not be able to see another eclipse!

The wonder of our universe, which we witnessed yesterday. Viewing the Great North American Eclipse of 2024 reminds us of our all powerful God, the ruler of all creation. Romans 1:20 tells us "For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities — his eternal power and divine nature. So they have no excuse for not knowing God."

If we can look at all that is around us and not see the handiwork of God, we are not looking closely enough. Psalm 19:1 says "The heavens declare the glory of God". Give thanks today for God's creation, His goodness, His mercy, and His salvation, and take time to see God's hand in everything around us!

Wednesday, April 10, GSC held a memorial service in the Magnolia dining room. We remembered the lives of Menzo "Bill" Bridge, Joan Zachow and Joan Hurley. GSC holds a memorial service the second Wednesday of each month. All family, friends and staff are invited to attend.

Eldergrow continues to visit twice a month. The last time Rebecca came, on Friday, April 5, she brought sunflower seeds for our residents to plant. In the Magnolia dining room you can see the pots all lined up on the windowsill, wrapped in cellophane to keep moisture in until they sprout.

Chaplain Judy comes to see us at GSC once a month. We enjoy her enthusiasm as she plays the guitar and sings. She also brings along Cole, who always has a song or two for us. It's great to have people come by to share and minister with us.

FOR YOUR INFORMATION

ART GALLERY EXHIBIT

A pleasing variety of painting compositions by featured artists Johnny Nicely (left) and Sharon McLeskey (right) is now on display in the Art Gallery next to the Lopin' Gopher.

Dr. Johnny Nicely is a retired pharmacist from the Village Pharmacy after having been called to open it in the CMC some 20 years ago. John is also an ordained minister; he served the Advent Christian Church over 30 years. He has led and participated in numerous mission trips to Honduras, Cuba and the Bahamas and brought them thousands of pairs of flip-flops and underwear, as well as much needed medicine. He has also led efforts to feed inner city children food for the body as well as food for the soul.

John and his wife, Cathy, enjoy traveling and camping with children and grandchildren. John is a collector of old things. He has fossils and medical tools dating back to Biblical times. He is also a collector of items related to the early space program and has enjoyed the opportunity to showcase his collection at our public library. John coauthored a book with his daughter, *I Hate Fishing Worms*, and used proceeds from the sale of the book to purchase a water fountain for Wee Care.

John is an aspiring artist in the Village Artists Guild and works in acrylic painting. John's wife is also a member of the Village Artists Guild and plans to become active when she retires from the Suwannee County schools soon.

Sharon McLeskey was born and raised in the shadow of Kennedy Space Center on Merritt Island, Florida. Growing up in the '60s and '70s, it wasn't unusual to hear and/or watch rockets being launched into space any time of the day or night. Sharon would frequently draw, mostly horses or the neighbor's house, but had no way to develop her interest, so the pencils were put down until later in life.

Her career was in mortgage lending, and during those years she did what she loved in work, home and church, with an occasional trip to visit family or friends who lived hours away.

Later she decided that she needed colored pictures on her walls, and she stumbled upon paint pours and thought, surely, she could do that. The best part about paint pours is one adds the colors, moves the canvas around to spread the paint and whatever happens happens. Some turn out surprisingly well, and some not so much.

In 2022, Sharon and her husband, Steve, moved to ACV. Within a couple of months of moving in she was invited to the Village Artists Guild. She says, "Fortunately for me, Joe Catarious was giving a group of aspiring artists instructions in painting with acrylics. There was also a class for those who were interested in drawing/sketching. I really looked forward to these times of learning and camaraderie every week."

When Sharon paints it is with acrylic, and at least one of her works on display in the Art Gallery was done with a pallet knife. See if you can find it. When Sharon draws it's usually with graphite or colored pencils.

FROM BAGS TO BEDS

I feel the Clubs, Activities and Volunteering Fair was a huge success. I met some great new people. If you did not make it this year, I hope to see you next year. I learned a lot ... there is plenty to volunteer for. I signed up for two more programs and took information on a third.

Our table was manned (womanned?) by Alice Rumbaugh and myself. I felt we accomplished our goal of introducing the plarn program to new people by showing the steps and process of the plastic bags. People were amazed by the end result, the mat. So, are we going to see some new faces this week? I heard through the grapevine we are getting a lot more bags. Step 1: Collect grocery bags. See, you did it!

We will be meeting Thursdays, April 11, 18 and 25. All meetings are from 10:00 a.m. to 12:00 noon at Cleo's Meeting House. Hope to see you there! Questions can be answered by calling (904) 484-8796.

ACV QUESTIONS AND ANSWERS

Do you have a question about the Village you think others would also like to ask? Did you see something curious or hear something you'd like confirmed? Submit your question to Member Services, and we will do our best to find out the answer for you and publish it here. You must include your name with the question because follow-up information may be necessary.

Q: I saw an ad for a Republican fundraising event taking place at ACV. Why hasn't this been announced in the FNN?

A: ACV, as a 501(c)(3) non-profit organization, has to be careful to not appear to endorse any political party or candidate. ACV will remain neutral in all candidate elections. It may take a stance on constitutional amendments and other issues that directly affect ACV.

The event taking place April 25 at ACV is not an ACV event. The Suwannee County Republican Party has rented ACV's dining room to hold their event. ACV does not endorse the event, nor is it involved in any capacity except to provide space and catering for a fee. Suwannee GOP is ACV's customer.

COMEDY CORNER

Got pulled over by a cop today. I was apparently his first speeder because when he got to my window he said, "I've been waiting all day for you!"

So, I said, "Well, I got here as fast as I could!"

People who procrastinate never hesitate to procrastinate.

Why don't we see elephants hiding in trees? Because they're really good at it.

I told my doctor that I broke my arm in two places. He told me to stop going to those places.

Why does a chicken coop only have two doors? Because if it had four, it'd be a chicken sedan!

I was at the park wondering why this Frisbee kept getting bigger ... and then it hit me.

What do diapers and politicians have in common? They both stink and need to be changed often.
