A new move will be learned at each session. Participants are requested to wear comfortable clothing and non-slip, closed-toe shoes.

PIZZA PARTY

Friday, Aug. 15, 5:00 p.m. - SMR/DR

In hopes of creating fun, Debbie Snead is hosting a pizza party. The location has been set: the Sawmill and Depot rooms.

On Friday, Aug. 15, the pizza will arrive from Papa Johns just before 5:00 p.m. when we will eat! Some salad, dressing, and drinks (water and fun non-

alcoholic drinks) will accompany the pizzas, which will be cut into small squares so light appetites can enjoy several flavors of pizza equivalent to one slice (the pizzas will come in many different flavors and crust thicknesses, including some gluten-free pizzas). All accoutrements will be on hand for you to use for your meal.

Donation baskets will be on the pizza tables for anyone willing to help pay for their share. A plate of three pizza squares (equivalent to one slice), a drink, and some salad is estimated to cost \$3.00 a person (listed so light appetites will have idea of cost). But please eat your appetite. This is for fun, after all!

If you forgot to pick up a ticket, please come anyway; extra pizza has been ordered. Come eat and have fun!

I again apologize to those of you who came to the Depot Room Tuesday for the hurricane preparedness Lunch & Learn only to find out it had to be postponed.

We have set the make-up date for Tuesday, Aug. 26. Please note that the time has changed. Due to another appointment, the presenter needs to begin the Lunch & Learn at 11:30 instead of 12:00 noon. Please come. This 30-minute presentation will be packed with helpful hurricane information.

New Vice President for Independent Living Operations David Klumpenhower is slowly getting settled in. Many have stopped by to say hello and to introduce themselves. We ask that you call and set an appointment as his schedule is pretty full right now. Call Eliza at 658-5150, and she'll find you a spot on David's calendar.

Member Services Tip of the Week

Have you noticed little black bugs with black, heart-shaped wings around your kitchen and/or bathroom lately? If so, you may be dealing with drain flies — tiny pests that breed in the organic gunk lining your drains. While they don't bite or spread disease, they can be a nuisance and indicate a buildup in your plumbing.

Step 1: Cover the suspect drain with clear plastic wrap overnight, securing it with tape. If flies appear on the underside by morning, you've found their breeding spot.

Step 2: Pour some white vinegar down the drain and leave it at least an hour before turning on the tap. This can sometimes be enough to clear out any drain flies.

Step 3: If vinegar didn't do the trick, flush the drain with boiling water to loosen debris. Then, scrub the inside with a long, stiff brush and a mixture of hot water, baking soda, and vinegar. Avoid pouring bleach — it can damage pipes and won't remove the organic matter where eggs are laid.

Step 4: Use an enzyme-based drain cleaner for several nights in a row to break down remaining buildup. Keep drains clean by flushing weekly with boiling water and repeating the baking soda-vinegar treatment monthly.

With a little persistence, you can stop the cycle and keep your kitchen and bathroom free of these unwelcome visitors.

TV2

In next week's episode of *What the Bible Says About ...*, the following questions are answered:

- Why read the Bible if I don't understand it?
- What is the difference between our soul and our spirit?
- Why does God allow bad things to happen?

What the Bible Says About ... airs Monday at 8:30 a.m. and 11:30 p.m., Wednesday at 2:30 and 9:30 p.m., and Saturday at 10:30 a.m. and 9:30 p.m .

Scam Tip of the Week: Tech Support Scam

Scammers may call you directly on the phone and pretend to be representatives of a tech company. They might even spoof the caller ID so that it displays a legitimate support phone number from a trusted company. They'll probably ask you to install applications that give them remote access to your device. Using remote access, these experienced scammers can misrepresent normal system messages as signs of problems.

Scammers might also initiate contact by displaying fake error messages on websites you visit, displaying support numbers and enticing you to call. They may also put your browser in full screen mode and display pop-up messages that won't go away, apparently locking your browser. These fake error messages aim to scare you into calling their "technical support hotline".

When you engage with the scammers, they can offer fake solutions for your "problems" and ask for

Soup for Friday and Saturday: Don's Wonton Soup

Friday, Aug. 15

Lunch only: Chicken, Bacon, Cheddar, Lettuce and Tomato Ranch Wrap, and Macaroni Salad, \$12.95

All day: Homemade Chicken Cordon Bleu, Garlic Spinach, and Confetti Rice, \$17.95

Saturday, Aug. 16

All day: Slow Roasted Pot Roast, Potatoes and Carrots, and Dippin' Rolls, \$18.95

payment in the form of a one-time fee or subscription to a purported support service.

Microsoft's tips for staying safe:

- Microsoft does not send unsolicited email messages or make unsolicited phone calls to request personal or financial information, or to provide technical support to fix your computer. If you didn't ask us to, we won't call you to offer support.
- If a pop-up or error message appears with a phone number, don't call the number. Error and warning messages from Microsoft never include a phone number.
- Microsoft will never ask that you pay for support in the form of cryptocurrency like Bitcoin, or gift cards.
- Download software only from official Microsoft partner websites or the Microsoft Store. Be wary of downloading software from third-party sites, as some of them might have been modified without the author's knowledge to bundle malware and other threats.
- Use Microsoft Edge when browsing the internet. It blocks known support scam sites using Microsoft Defender SmartScreen. Also, Microsoft Edge can stop pop-up dialog loops used by these attackers.

Brenda Reas, Reporter

Several of the books mentioned by the Village Bookworm in past FNNs are here and ready to be checked out. They are either on display or in the new to us section in front of the windows.

We have an audiobook section, paperback rack, and many movies and TV series on DVD for check-out. Magazines can be borrowed without being checked out; just return them when you finish looking at them.

Please have your ACV ID badge available when you come to check out books and DVDs. We are located in the Schoolhouse Room between the Old Pavilion Room and Information Center. Our drop box is located around the corner across from the restrooms (beneath the bulletin board), and you may return books and DVDs there at any time.

PLARN MINISTRY: FROM BAGS TO BEDS **Sybil Gillette, Reporter**

We meet every Thursday from 10:00 a.m. until 12:00 noon at Cleo's Meeting House. We really appreciate getting bags that are not so tightly wadded up. They are much, much easier to work with.

Come check it out; you may see something you could do to help us turn plastic grocery bags into sleep mats, pillows, and other things for the homeless and displaced people.

STEPHEN MINISTRIES **Michael Saunders, Reporter**

Praise the Lord for our Stephen Ministers and for those who in a few weeks will be beginning their training as Stephen Ministers. The more Stephen Ministers we have the more hurting people in our community can be ministered to. So we are grateful to God for those He has led to serve in this very special way.

Please pray for us as we go through this year's training program. And please pray for the Stephen Ministers we have who are already serving.

If you would like more information, there are packets of materials at the Village Church office and at the VC information desk. You can also stop by the Stephen Ministries office in Dowling House or call 658-5358. God bless you!

NEIGHBORHOOD NEWS

BUTTERFIELD ACRES

Jack "CrackerJack" Dixon—386-658-2113

"But God showed his great love for us by sending Christ to die for us while we were still sinners" (Romans 5:8 NLT). Even after we are born again, we continue to sin in our daily lives — though we try our best not to, of course.

I just returned from getting my hair cut by one of our good neighbors, Miss Amy Hancock, our friendly beautician next door, who keeps the Dixons looking sharp with wonderful hairstyles. You can call her at (386) 647-6240 for an appointment and be assured you'll receive the kind of service you deserve. She gladly accepts cash and checks — sorry, no credit or debit cards.

We have a fair number of birthdays coming up in August. We started the month off with Rosemary Humbles on the third. Happy belated birthday — we hope your celebration was a great one! Dick Beggs follows her on the 14th, just two days before yours truly and wife, Barbara, on the 16th. To round out our party on the 17th is the young entrepreneur of the Coombs family, Jordan. Don't get in his way — this kid is going places! Also, on the 10th, Dick and Nancy Beggs celebrated another joyful anniversary. To all our celebrants, may God continue to bless you with happiness and good health throughout the coming year.

Steve and Dot Shuman just returned from a trip to Maine, where they enjoyed kids, grandkids, and — I believe — great-great-grandkids. Wow, what a trip that must have been! Welcome home, folks. I think you should take a week off and just rest.

I saw a sign in a drug store that read: "Try our cough syrup; you'll never get any better!" In filing your income tax report, remember — it is better to give than to deceive. And remember: you don't have to explain what you don't say!

From the veranda of our humble abode, overlooking the oh-so-smooth and dust-free 102nd Trail in beautiful BA: remember, courage is grace under pressure, and never forget who is in charge. Isaiah 40:28–31. God bless!

CARTER HOUSE

Monica Serlick—386-330-4865

There are three birthdays for this month: Elsie Bryant's on the 16th, Pamela Evans' on the 20th, and Jenny Hammonds' on the 21st.

DOWLING HOUSE

Cora Huckaba—850-464-7113

Hello, friends and neighbors! I hope you're having a great week and have joy down in your heart — like the song we sang as children: I have the joy, joy down in my heart, up in my head, all in my hands, down in my feet; I have the joy, joy all over me. A person who has joy is truly a joy to be around.

I've been telling you about the whistling ducks on the lake. A pair has hatched 12 little babies! I hope they stay safe from the cats and other predators — they're just adorable.

Mary Jane Holler's family visited last week. They all came from different places to be with her and stayed a full week, catching up on news, visiting, and enjoying each other's company. It's always special to have family around.

I'm home from my trip and have good news about my apartment. The cabinets are in, and the floor covering goes down tomorrow. Hopefully, I'll be moving home soon.

I have a big job ahead of me — getting everything boxed up to move back into my apartment. It's slow going: I do a box, rest, then another box, and rest again. But I can do all things through Christ who strengthens me — that's who I'm depending on to get it done.

Donna sent me a beautiful puzzle — thank you, Donna! I think I'll wait and work on it at our puzzle table so everyone can see the progress. I also have a 3D Ferris wheel puzzle that even has a music box.

Oh, and the envelope? Beth Faeber in 212 found it after almost two weeks! The next one will be purple, so be on the lookout — if you don't find it, someone else will.

Remember, if you have news, text me or hand it to me. The newsletter is supposed to be about all of us, so let me hear from you!

Do you know Kenny Reynolds? He always speaks and says, "I love you." He can use our prayers right now.

Here's a funny story: Mark, a dad, was taking care of his little baby boy while the mom wasn't feeling well. He decided to take the baby to the park because he was fretful. On the way, they passed an old man. The baby was still fussing, so the old man said, "I think that young'un is spoiled." "No," the dad replied, "they all smell that way."

Until next week — smile, and be kind to your friends and neighbors. Do unto them as you would have them do unto you. May God walk with you and guide you.

EDGEWOOD TERRACE Cathy Oberg—386-658-3237

Good morning, neighbors! We have no birthdays to celebrate this week, but we do have one anniversary. Happy anniversary to Errol and Sybil Gillette on the 16th! May you travel this next step of your journey together in health, happiness and blessings — and may you enjoy many more years together.

I've noticed an increase in activity around the Village lately. I'm not sure if it's due to the change in weather, the season, or just the fact that people are experiencing cabin fever. Whatever the reason, it's wonderful to see neighbors getting involved and engaging in life again.

This week I had the pleasure of welcoming new Lawrence House residents Allan and Maureen Wittmeyer. They moved here from Lake City, Florida, and are thrilled to be part of our community. Before retirement, they worked in the RV travel industry out of New Orleans, Louisiana, planning trips for families traveling both nationally and internationally.

Allan and Maureen are game players and are eager to join in the activities at Cleo's Meeting House. Maureen was especially interested in the schedule posted in the FNN, and they already plan to attend the next potluck. As our visit was wrapping up, I received the sweetest surprise — a warm welcome and a few nuzzles from their feline companion, Ziggy. This was unexpected, as he had been hiding under the bed since I arrived!

Please take a moment to welcome Allan, Maureen, and Ziggy when you see them. They are a delightful addition to our neighborhood.

It's always wonderful to see empty apartments being filled and new life journeys beginning here in our midst.

Until next week, stay safe, happy and healthy. And remember — if you have questions, stories, or news to share in the FNN, please let me know!

GOOD SAMARITAN CENTER AND DACIER MANOR Bruce Arnold—386-658-5550

Hebrews 11 is often called the "Hall of Fame of Faith." In Verse 1, we read the definition of faith: "the substance of things hoped for, and evidence of things not seen." Throughout the chapter, we see the stories of those who found God to be faithful.

As we live this Christian life, we must take God's Word on faith — trusting that, even when we do not understand or see exactly what He is doing, He will lead us in the way we should go. Faith also gives us under-

standing, as we see in Verse 3: "By faith we understand that the universe was formed at God's command."

I am fascinated by the images and information brought back by spacecraft sent out over the years, giving us a glimpse of God's amazing creation. Yet, I also see the futility of these missions when they seek to uncover how the universe was created — an answer plainly given in Genesis 1.

Faith also gives direction, as shown in Verse 8, where Abraham obeyed God's call to leave his home without knowing his destination. We, too, can trust that even when we don't know what's going on or what God is doing, He will show us the way. As we move forward in faith, we can be sure that God is pleased when we put our trust in Him. Just as He commended "the ancients" (Verse 2), He will commend us when we live by faith.

On another note, a friend recently asked if we need volunteers to visit residents at GSC and Dacier Manor. My answer was an enthusiastic "Yes!" There are many ways to share time with our residents — talking, listening, reading Scripture, or simply holding a hand. If you'd like to volunteer, please call or stop by for an application form. Ask the Lord how He might use you to bring encouragement to someone's day.

If you need a large-print KJV Bible or a Bible in another version, please contact me at (386) 249-2792 or barnold@acvillage.net.

RIVERWOODS Doug Nichols—425-329-5769

Sunday, the Lord's Day: Margaret and I were in Nashville for the memorial of a dear friend. We served with him and his wife for over 40 years in the Philippines, primarily among untrained pastors and the extreme poor, sharing the gospel and offering compassionate care.

1. Riverwoods HOA News: The next HOA board meeting will be Monday, Aug. 18, at 2:00 p.m. The Riverwoods Board members are President Donna Plant, Vice President Bud Royal, Secretary Mary Ann Wilson, and Member at Large Lorraine Bowen. We are blessed to have such a wonderful, hard-working board!

2. What's Up?: How is your reading these days? An excellent, encouraging, and very interesting Christian book is *First We Have Coffee* by Margaret Jensen. It tells the story of a Norwegian pastor's family that immigrated to Canada.

We trust each of us has been a blessing to others this week. God blesses us so that we can bless others (Genesis 12:2–3 and Proverbs 11:25).

On our trip for the memorial, we renewed fellowship with several senior couples with whom we had worked in the past. When we told them about the ministry of ACV, they were amazed at the facilities, programs, and reasonable cost of living here. One couple works at a Christian retirement center in Iowa that is contained in one building and is very expensive. Praise God for ACV!

3. Riverwoods and Village News: Let's be extremely careful of scammers! The best advice is that when you receive a questionable call, simply hang up the phone. If it is important, they can always call you back.

Please submit any Riverwoods news you want or need to share by Monday, as we send items to Member Services early Tuesday. You may email me at nichols.doug@gmail.com or call (425) 329-5769.

4. Guess Who in Riverwoods: As she was growing up, her father moved the family more than 30 times — and he was not in the military.

5. Birthdays in Riverwoods: Cecelia Henry (Aug. 11), Flora Cook (Aug. 14), Jackie Campbell (Aug. 15), Betty LaGeorge (Aug. 15), and Barbara Bertolino (Aug. 16).

6. Sanctification: As pastor H.B. Charles Jr. has said, "It is the will of God for the Spirit of God to use the Word of God to make the children of God like the Son of God."

FOR YOUR INFORMATION

WILDFIRE MITIGATION PROJECT

Chuck Eckel, Reporter

The woods encircled by Edgewood Terrace, Park of the Pines, Bixler Memorial Gardens East, and CR 136 were hit hard by the three recent hurricanes. This area has downed timber in it that could fuel a wildfire in our community.

We are pleased to let you know that the Florida Forest Service has a grant in place to mitigate this type of hazard by removing some of the heavy, downed timber. This work is very expensive, and we appreciate the FFS for developing this project proposal for their mitigation grant to help out the Village.

The work is scheduled for mid-August for about a week. It will involve heavy equipment that will be noisy. We ask that you be patient. This mitigation project is important for the safety of all.

BOB COPELAND'S 18TH BOOK

Bob Copeland's newest book, his 18th, is now available on Amazon in both Kindle and paperback editions. Titled *Only One Life* and subtitled *Living For Jesus Through Earth's Little While*, this book is a must-read.

Bob says the following about his latest book: "Many years ago my heart was touched by the phrase 'Only one life, 'twill soon be past; only what's done for Christ will last.' These powerful words were penned by missionary C.T. Studd and continue to have a lasting impact on many today. In this little book I break down this motto and expound upon it. It is my prayer that this book will serve as a timely reminder to many that our lives are speeding by, and only what's done for Christ will last."

You must include your name with the question because follow-up information may be necessary.

Q: Does ACV have an obituary website?

THANK YOU

I would like to give ACV a big thank you for getting the indoor pool open once again. I don't know if ACV realizes how much people depend on the pool for keeping their bodies mobile and somewhat pain free. It has been proven that exercise in water is easier on the joints and muscles. I personally feel the difference, so thank you.

Linda Warner

Thank you, Village Bookworm, for submitting reviews and suggestions to the FNN. Due to your passed-on suggestion from Mary Jane Holler, I listened to Colson Whitehead's 2019 novel, "The Nickel Boys". The book — a fictional story based on real events — was at times hard to listen to because of the hardships described, but overall, I enjoyed reading it.

THE VILLAGE BOOKWORM

For the month of August, the JKPL is featuring staff picks. Some of their favorite selections — books and videos — are on display in the window shelf and ready to check out.

If you love to read, a trip to JKPL is always rewarding. Thank you, Susie, Trish, Jake, and Elizabeth, for all your help, patience, and for challenging us to read good books. I'm looking forward to some of your recommendations.

Susie told me that when her book club assigned *The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics* by Daniel James Brown, she didn't want to read it. She loves fiction, and a true story about rowing boats didn't sound like her thing. But now it's on her all-time best book list.

I think you'll agree. This inspiring true story follows a ragtag college rowing team that wins gold in Nazi Germany through unbelievable grit and unrelenting courage. Most of us know little about rowing, but this is so much more than a sports story. You'll see history come alive as the Nazis try to hide the truth about what's happening in Germany. You'll feel every muscle strain as the boys learn to work together in perfect rhythm. You'll relive the hardships of the Great Depression and confront challenges that today are easy to forget.

You'll follow Joe Rantz — abandoned at age 15 but determined to push forward against all odds. The book is a masterful blend of human perseverance, history, and sport. You may have seen the movie, but—as is usually the case — the book is even better. See you at the training dock!
