### CONFERENCE & RETREAT

Aquilla Pool (the outdoor pool) is now open for the season. Open swim is (with a few exceptions) Monday–Friday, 12:00–3:00 p.m., and Saturday, 1:00–4:00 p.m. Refer to the monthly published schedule for swimming times for various groups and open swim times.

### MEMBER SERVICES

**James Sutter—386-658-5400**

Beginning Wednesday, July 1, all Village bus trips will be free; there will no longer be bus fees for any Village bus outings. We are excited to add this amenity to the membership benefits package.

Also starting July 1, all bus trips will be limited to Village members, registered caregivers riding with the member they care for, Lifestyle Club members, and Village employees. Non-members and guests will no longer be permitted to ride on the Village trip bus.

Shuttle bus usage remains restricted to members, caregivers, Lifestyle Club members, staff, and guests of the Conference & Retreat Center.

I hope you're planning to take part in at least one of the July 4th events coming up.

Ken and Linda Forrest have organized what we hope will become a new annual tradition: a July 4th Parade on Wheels. Pick something with wheels, decorate it for Independence Day, invite a friend to ride along, and meet at the Lake Aquilla parking lot to line up for the parade, which begins at 10:00 a.m.

For later in the day, Donna Carbaugh and her committee have put together a fun and festive program for all ages. There will be something for everyone — history buffs, music lovers, food enthusiasts and those who enjoy a little friendly competition. Come at 3:00 p.m. and enjoy the celebration. You won't be disappointed.

That evening, Live Oak will host another spectacular fireworks show, and the trip bus will take members into town to watch. The bus will arrive just in time for the fireworks and return afterward. Sign up at the Information Center. (As with all bus trips starting July 1, this trip is free and restricted to eligible riders.)

### June Member Birthday Party

Once again, the Sawmill and Depot rooms were the scene for the June member birthday party. We were entertained by Dick Grillo, who played guitar and sang patriotic songs. He did a great job at entertaining everyone. We also enjoyed cake to eat.

We were blessed to have 15 persons with June birthdays present, and a total of 60 attendees. Six guests won door prizes: Nan O'Byrne, Martha Nickerson, Ruth Cochrane, Gloria Seidenberg, Linda Cywin and Lynn Tedder. The oldest birthday guest was Eleanor Verrill, and the youngest was Linda Cywin. Both received a fresh fruit basket prepared by the Village Grocer.

### Member Services Tip of the Week

Did you know ACV has an Obituary Line? The phone number is (386) 208-1772. It is listed on Page 9 of the Village Telephone Directory. In the case of the death of an ACV member, once the information is verified, a voice mail message is recorded and can be accessed by calling that number.

We also have an obituaries page online located at [www.acvmembers.net/obituaries](http://www.acvmembers.net/obituaries). This page reflects what is listed in the FNN and also contains links to online obituaries when available.

### Scam Tip of the Week: Third-Party Mail Providers

Have you received a postcard or form in the mail about T-2 benefit information? A T-2 form is a postcard mailer that many senior citizens receive in the mail. The form looks official. With the postcard or envelope, the letter comes stamped in big, bold letters "Second Notice, Time Sensitive". You open the form and it appears to come from a government agency, stating at the top, "[year] Benefit Information for [state] Citizens Only." Underneath the heading, it states, "As a resident of [state], you are entitled to more benefits not provided by government funds. You now have access to a [year] state-regulated program which will pay 100% of all final expenses up to [dollar amount]."

This particular T-2 form does not come from a government agency and is not a tax form of any kind. It actually comes from insurance agents or marketing companies hoping to gather your personal information. The program advertised doesn't exist. The T-2 form is just an underhanded way to get your approval so they can sell your information; it isn't technically illegal.

A third-party mail provider is a company that sends consumer mailers for marketing companies or mail houses. In the case of the T-2 forms, the third-party mailer is Direct Mail Processing, LLC. This company, based in Georgia, is not the same as the companies

- Can you explain what happened in the Transfiguration? Why did it happen?
- How do the Bible's predictions compare to predictions that are made today about future events?

*What the Bible Says About ...* airs Monday at 8:30 a.m. and 11:30 p.m., Wednesday at 2:30 and 9:30 p.m., and Saturday at 10:30 a.m. and 9:30 p.m.

### **STEPHEN MINISTRY:**

#### **Christ Caring for People Through People**

#### **Robin Copeland, Reporter**

Is God calling you to become a Stephen Minister? In Stephen Ministry, members of our community are trained and equipped to meet once a week, one-to-one, with someone going through a difficult time. Stephen Ministers provide a caring presence, a listening ear, and comforting words — supporting care receivers throughout their journey.

There are many reasons people become Stephen Ministers. Here are a few to think about as you prayerfully consider whether Stephen Ministry is the right place for you to serve.

As a Stephen Minister you will make a real difference in the lives of people. Stephen Ministers walk alongside people going through life challenges like grief, divorce, a medical crisis, job loss, and more. They offer care, support, and encouragement, connecting hurting people with Christ's healing love during some of the hardest times in their lives.

Help our community ensure that no one suffers alone. Caring for one another is a hallmark of the Christian faith.

As a Stephen Minister, you will play a crucial role in helping our community carry out that mission so that, even if we can't take away their pain, those who are suffering know our community truly cares.

Learn what to say and do — and what not to say and do — to care effectively for people who are suffering.

Stephen Minister training teaches highly practical caregiving and relational skills that equip and empower you with everything you need to effectively care for others. In addition to preparing you for caring ministry, these skills can help you deepen and enhance relationships in all facets of your life — with family, friends, coworkers and others.

The next Stephen Minister training class begins in September. Applications are available at the Village Church office and Member Services. If you are interested but have questions, please contact one of the Stephen Leaders — Robin Copeland, Michael Saunders or Darleen Hinrichs.

### **BUTTERFIELD ACRES**

#### **Jack "CrackerJack" Dixon—386-658-2113**

"God blesses those who are persecuted for doing right, for the Kingdom of Heaven is theirs" (Matthew 5:10 NLT).

Feelings of persecution can be overwhelming at times, but in moments like these we must stay close to His Word, knowing it says He will be with us even to the end of the world.

If you were in Walmart on Friday the 12th and thought you saw an old man slithering down the aisles in a handicapped scooter basket device resembling "the CrackerJack," well, I confess — it was me. I finally gave in to the fact that following my dear wife through the store is a heck of a lot easier, and far less painful, on one of those things. Fortunately, I only hit one kid who didn't even notice, and a display of big bags of dog food — no damage there either.

If you ever decide to bite the bullet and use one of those things, for God's sake DO NOT be in a hurry. The cart is (for good reason) geared very, very slow. They are equipped with a little horn, which I found out was not really appreciated when I used it to warn an old gentleman that I was approaching from the rear.

I received some disturbing news at church Sunday. Pastor Bruce announced that Bethany, Doug and Lynn Mabey's daughter, has been diagnosed with lymphoma. She lives in Pittsburgh and will be undergoing procedures to combat it. Also, it has been reported that Pastor Tim's wife, Pamela, at First Advent Church of Live Oak, has been diagnosed with liver cancer and will be starting chemo soon. Please keep these families and individuals in your thoughts and prayers.

It is true that Bob and Robin Copeland are leaving Butterfield Acres and moving to the Park of the Pines. They are currently staying in Coach Peter's home in Butterfield Acres until their new home is ready. This is so the new couple can take possession of their home

here on 102nd Trail. I don't have any information on the new owners yet, but I will provide it soon.

News from Roy and Alice Ames' daughter in Ohio: She will be visiting in July to take care of some family matters and will be looking for packing boxes. She also expects to have some household items available for those who may be interested. I'll be receiving her email address soon and will help coordinate communication on her behalf. I'll share more details as they become available.

If you give some people an inch, they think they are a ruler. I have found in life that while I cannot change the direction of the wind, I can adjust my sails.

"Wait patiently for the Lord. Be brave and courageous. Yes, wait patiently for the Lord," and never forget who is in charge. Isaiah 40:28-32. God bless.

### **CARTER HOUSE**

**Mary Gamble-334-790-9066**

Greetings, everyone! I hope you have all had a blessed week. We don't have any birthdays or anniversaries to report this week.

David Klumpenhower is leading us through the book of Ruth every Sunday morning at the Village Church in June. If you cannot attend the service, you can watch it on TV2 or YouTube. I really enjoy watching his sermons.

There are some exciting events coming up here at ACV. Stay tuned to the FNN for more information.

I attended the Lunch and Learn on fraud prevention presentation this past week. Here are some tips that were shared:

#### **Four Signs That It's a Scam:**

- Scammers pretend to be from an organization you know.
- Scammers say there's a problem or a prize.
- Scammers pressure you to act immediately.
- Scammers tell you to pay in a specific way.

#### **How to Avoid a Scam:**

- Block unwanted calls and text messages.
- Don't give personal or financial information in response to an unexpected request.
- Resist the pressure to act immediately.
- Know the payment methods scammers use.
- Stop and talk to someone you trust.

Report scams to the FTC and local law enforcement. Keep an eye on your bank account and report any transactions you did not authorize. Remember, scammers are smart and get smarter every day with technology. Be careful who you give your information to.

I encourage you to attend the Lunch and Learn sessions if possible. There is always good information being shared.

Please remember to return all shopping carts to their designated places when you are finished with them so other residents can use them when needed.

Please feel free to contact me with any information you would like to share in our FNN. And please remember to watch out for each other.

Thanks, everyone, and have a blessed week.

Hello, neighbors. Another week has passed swiftly, like a sweet dream you hate to wake up from, leaving only memories to be enjoyed later.

This past Sunday one of my great-grandsons, Micah Newman, graduated from high school — starting a new adventure in life. He was also baptized, signifying his faith in God. How many young people start their lives with God? I am so proud of him. A wonderful memory.

As a celebration, all of the family and some friends went out to dinner at a four-star restaurant in Valdosta, Georgia. As we were waiting for our food, we enjoyed loaves of freshly baked bread with butter. The food arrived — huge steaks and baked potatoes. The aroma was delicious. Everyone was receiving their food except my daughter Peggy and me. Finally she received hers, and mine came last. My fish nuggets, hush puppies, and slaw came in plastic cups. Talk about memories — that's one I will remember for a long time. In the dining room I get a crispy fried half of a catfish for a third of the price.

Doctors say that exercise is good for us seniors. They quote, "If you don't use it, you lose it." My doctor should be happy with me; I walk back and forth to my refrigerator 10 times a day.

Another neighbor moved from Dowling House. They were moving in the rain. There is also a new resident in Dowling House. His name is James Howes.

The July 4th celebration is coming together wonderfully. If you can donate toward the expense, it would be appreciated. See Donna Carbaugh. Don't forget to pick up your ticket at the Information Center. Sign up to bake an apple pie and/or make a bowl of potato salad. When I saw the prizes, I wanted to cook one myself. This will be a landmark celebration of our country's 250 years of freedom.

Invite a family member or a friend to be your partner in the games of Granny's Pants or cornhole toss and win a prize.

This Village is known as a Christian community, but it's worth pausing to ask ourselves how often we truly think about what that means in our daily lives. In the book of Acts, we read that the disciples were first called Christians in Antioch because their lives reflected the love and compassion of Christ. They weren't proud or dismissive, and they didn't tear others down. Instead, they showed mercy, concern and genuine care for the people around them. (Acts 11:25.)

Scripture tells us that we know we have passed from death into life because we love others. Without love, we remain in darkness. (1 John 3:14.) And that love extends to all of God's creation. "A righteous man regards the life of his animal" (Proverbs 12:10). It's easy to love those who are gentle and pleasant; it's harder to love the "porcupines" of life — those who are prickly, defensive or difficult. Yet we love them anyway, because Christ lives in us.

If we see anyone in need and feel no compassion, we have missed the mark. And when we find ourselves tempted to spread tales or speak in ways that harm others, we should stop and ask: Is there enough evidence in my life to be found guilty of being a Christian?

Until next week, do not let your good be spoken of as evil. (Romans 14:16.)

**Cathy Oberg-386-658-3237**

Good morning, neighbors. My apologies to Esther Bruckel for accidentally omitting her birthday (the 18th) last week. Blessings to you in your next year, and may they always be on time!

A huge thank-you to all for your anniversary wishes to Ron and me. We are blessed to have such caring friends as our neighbors. Sixteen years, and he's still a keeper.

Happy Father's Day to all father figures. May you enjoy a day of relaxation, renewal and reflection. The idea for the holiday was pioneered by Sonora Louise Smart Dodd of Spokane, Washington, to honor her widowed Civil War veteran father who raised six children on his own. While a church service honoring coal mine explosion victims was held in 1908, the first widespread celebration was June 19, 1910, in Spokane. The holiday did not become a permanent national observance until President Richard Nixon signed the proclamation in 1972.

This is a time of fellowship, conversation, and ice cream sundaes. The event is provided through your annual dues and gives our neighborhood a chance to come together and celebrate our nation's birthday. So plan to come, meet your neighbors, enjoy a great treat, and engage in some stimulating conversation.

For our newer residents, Edgewood Terrace includes Lawrence House, Taylor Commons, all residents on Dowling Park Dr. beyond Taylor Commons, and all residents on Millsite Lane. Wear your best patriotic duds and celebrate 250 years of America with us.

### **GOOD SAMARITAN CENTER AND DACIER MANOR Bruce Arnold—386-658-5550**

When Jesus saw the crowds, "he had compassion on them, because they were harassed and helpless, like sheep without a shepherd" (Matthew 9:36). He looked at the people — many of whom He had just healed (Matthew 9:35) — and His heart was moved deeply. Unlike the Pharisees, who dismissed the crowds as too sinful to bother with, Jesus felt compassion in the truest sense of the word. The Greek term used here means to be moved in the inward parts. Jesus didn't simply shake His head and say, "What a shame." He saw their need for a shepherd — someone to guide them, help them and bring them real life.

It is at this moment that Jesus turns to His disciples and sends them out to share the good news of the Good Shepherd with those who need it most. That charge is also ours today. We are not called to avoid or look down on those who struggle, but to engage them with love, compassion and truth, guiding them toward Christ.

Paul echoes this in Colossians: "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion (KJV: bowels of mercy), kindness, humility, gentleness and patience." People will never know we care unless we reach out. Jesus showed us how — now we are called to follow His example.

This week, we're looking forward to having Sue Donnelly and Joel and Charlotte Evans with us again, and we'll be celebrating Father's Day. The men at GSC and Dacier Manor will receive a special gift made by the Crafty Crew, led by Sue.

CNA Week kicked off last Thursday with the recognition of the CNA of the Year. Keri Hilliard presented the award to Maila Reeves, who is a wonderful example of care and compassion toward our residents at GSC. Thank you, Maila, for the love and dedication you show every day.

Throughout CNA Week we have special events planned. On Tuesday, June 16, we'll enjoy Twin Day, when staff and employees dress like a resident to be their "twin." Thursday is Aloha Day, when we'll don our Hawaiian and tropical attire. Ice cream socials, root beer floats, Hawaiian ice, and games will round out the celebration as we honor the CNAs who do such amazing work at GSC.

Hello to you all from a porch with a peaceful, pretty meadow view. Our neighbor David Klumpenhower is halfway through his encouraging series of messages from the book of Ruth. I am personally grateful for his inspired teaching. Thank you so much, good and faithful servant.

The next RWHOA board meeting will be Thursday, June 25, at 2:00 p.m. at Copeland Community Center. Two items are currently listed under Unfinished Business: Management Discussion and the Wilson House Update. Additional items may be added before the meeting.

Below are the procedures our attorney recommended regarding the Wilson House fire:

"Contact code enforcement to determine their plans. If they are not going to demolish it yet due to probate issues, then proceed as follows:

"Contact the estate attorney to determine their probate plans and whether the house and contents are part of the probate process.

"If they are not part of the process, propose a settlement agreement. If accepted, have them execute the agreement.

"If the house and contents are part of the probate process, take no action until probate is completed due to potential legal issues."

One of my favorite ways to cool off during the summer is with a nice, cold watermelon. On Sunday morning, I even treated myself to watermelon for breakfast! The ones I've had so far this year have been crisp and sweet. Why not give it a try?

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law" (Galatians 5:22-23).

Recently my golf cart left me stranded in the hot sun on Marvin Jones Blvd. My prayer was answered when Nancy came by with the shuttle bus and gave me a ride home.
