## & EXPRESSIONS OF GRATITUDE

Cornerstone Park  
Laid True and with Purpose

MAY IT BE FOREVER  
PROCLAIMED THAT  
JESUS CHRIST IS THE  
FOUNDATION UPON WHICH  
ADVENT CHRISTIAN VILLAGE  
IS BUILT.

Jesus said to them,  
"Have you never read in the Scriptures:  
The stone the builders rejected  
has become the Cornerstone;  
The Lord has done this,  
and it is marvelous in our eyes?"  
Matthew 21:42

W.C. "Bill" Nickerson

Trust in the Lord with all your heart  
and lean not on your own understanding;  
in all your ways submit to him,  
and he will make your paths straight.  
Do not be wise in your own eyes;  
fear the Lord and shun evil.  
This will bring health to your body and  
nourishment to your bones.

## *On The Cover*

Cornerstone Park is now complete. Pictured is the central column, declaring that Jesus Christ is the foundation upon which Advent Christian Village stands. Cornerstone Park honors the generous donors whose gifts have helped strengthen the Village's infrastructure, helping to support ACV's mission into the future. The park itself was made possible through a gift from Bill Nickerson in memory of his mother, Anna Nickerson. We look forward to dedicating this meaningful new space. Watch for more about Cornerstone Park in a future publication.

# A note from THE PRESIDENT

## *A Season of Challenge and Renewal*

Due to the difficulties of the past couple of years, we made the decision to temporarily suspend publication of our Village magazines. As we return to more normal operations, we are excited to share this latest edition with you. We hope you enjoy it.

Since our last edition, the greatest challenges we faced came in the form of hurricanes. On August 30, 2023, Hurricane Idalia became the first major hurricane in Advent Christian Village's 127-year history to pass directly over Dowling Park. With winds reaching 100 miles per hour, the storm damaged 95 structures and toppled thousands of trees across the campus. Yet, we are deeply grateful to God that there were no injuries or loss of life.

Just as the campus began to recover, the 2024 hurricane season brought additional trials. Hurricanes Debby (Category 1) and Helene (Category 3–4) followed a similar path through our area. During a later visit, an ACV board member remarked, "After Idalia, I didn't think there were any trees left to come down, but I was wrong!"

Once again, we praise God that everyone at ACV remained safe. We were hit hard financially. Damages from these storms were estimated at over \$9 million, with ACV's non-reimbursed cost at \$3 million.

We are deeply grateful for the many agencies, organizations, churches, and individuals who came alongside Advent Christian Village during these emergencies. Your generosity—through financial support, volunteer service, and prayer—made a profound difference. One especially helpful gift was the extended use of a Bobcat skid steer and excavator for over a year, which greatly aided in the lengthy cleanup process. We were also thankful for a quiet 2025 hurricane season.

The financial strain from the storms continued into 2025. We were careful to steward our resources wisely, which meant placing several projects on hold. Even so, we are grateful that ACV's benevolent ministry never slowed during this time—a testament to God's provision and the amazing faithfulness of our supporters.

Last summer, God provided in a remarkable way. One of our members reached out to a Christian organization, sharing ACV's challenges and asking for assistance. An executive from that organization visited the Village and met with me. After spending the day touring the community and discussing our situation, he told me that he thought they might be able to help at the amount that they typically help in such disasters. But he also asked for a complete list of needs—everything needed to recover from the storms.

A few weeks later, I received a call with unexpected news: the organization had decided to fund *everything* on the list! The reason for this extraordinary gift? He explained that it was due to ACV's steadfast commitment to ministry—particularly its care for retired ministers and missionaries. To God be the glory!

## *Comings and Goings*

Since our last publication, several faithful staff members have retired, including Rev. Frank Hall, Minister of Pastoral Care at the Village Church; Steve Hett, Chief Financial Officer; Tony Harmon, Manager of the Village Grocer; Diana Frier, Director of Admissions at Good Samaritan Center; and Mark Edquid, Vice President of Independent Living Operations. Each served the Village with distinction and is deeply missed.

We are pleased to welcome those who have stepped into these important roles. Michael Willis joined us in May

*Retirement celebrations for (L-R): Steve Hett, Frank Hall, Mark Edquid, Tony Harmon*

2024 as Chief Financial Officer, bringing valuable experience from his previous work at a retirement community in North Carolina. Rev. Darren Bonnville accepted the call to serve as Minister of Pastoral Care and, along with his wife Cheryl, moved from northern Maine in July—a significant transition and a testament to their commitment. David Klumpenhower now serves as Vice President of Independent Living Operations, having relocated with his wife Winnie and their children from Phoenix, Arizona. Another recent addition to the team is new Copeland Community Center Director, Katie Nanuseski. She has brought fresh energy to this dynamic feature of ACV life. We look forward to seeing the enhancements she brings to our fitness and community life.

One of the defining qualities of ACV is its strong sense of community. I recently came across a meaningful reflection on that word: within *community* are the words *common* and *unity*. In other words, community is people unified around a common purpose. At ACV, that common bond is our shared faith in Jesus Christ.

As one author put it, “The Bible gives us an incredible example of Christian community through Jesus’ own closest friends, his disciples. Jesus’ followers teach us the power of a group of once-strangers with different backgrounds and opinions as they find unity in their shared love for and devotion to Jesus.” —Trochia.org

This spirit of unity is evident throughout the Village, as neighbors care for one another and staff serve faithfully. It is often said that there is something noticeably different about ACV the moment you arrive on campus. I believe that difference is the shared unity we have in Christ.

## Stephen Ministry

As another expression of that unity, ACV, in cooperation with the Village Church, has become a certified Stephen Ministry Provider. Stephen Ministry is a caring, one-to-one ministry carried out by trained laypeople who provide Christ-centered support to individuals going through difficult seasons of life.

Our Stephen Ministry leaders are Robin Copeland (Coordinator), Michael Saunders (currently inactive due to health issues), and Darleen Hinrichs. We have ten trained and commissioned Stephen Ministers actively engaged in this important ministry to those who are hurting. It is another way this community expresses Christ’s love to those we serve.

Through both challenge and renewal, God continues to sustain and guide Advent Christian Village—and we look forward with hope to all that lies ahead. ♦

# DAVID KLUMPENHOWER

## *Called to Lead, Grounded in Ministry*

David Klumpenhower, Vice President for Independent Living Operations, began his journey far from Dowling Park—on a dairy farm in Ontario, Canada, where he was born and raised. From those humble beginnings, his path would take him through classrooms, pulpits, and executive leadership, all shaped by a consistent thread of calling.

David initially pursued a career in education, earning his teaching degree in the States and taking a position as a first-grade teacher at a Christian school in Phoenix, Arizona. It was there that he began to sense a deeper call to ministry. He went on to attend seminary and was ordained as a pastor in the United Reformed Church.

While in seminary, David married, and he and his wife were blessed with two sons, Garrit and Matthew, both of whom now serve in the U.S. Navy.

Though he found ministry deeply meaningful, the demands of pastoral life proved challenging for his wife, so he stepped away from ministry, and they relocated to her hometown of Phoenix. Within just a few months, however, his wife ended their marriage.

Determined to remain close to his sons, David stayed in Phoenix despite difficulty finding work. An opportunity to train to become a chaplain arose and he eagerly accepted. After completing his training, the only available position was in a Christian retirement community—an option he initially accepted with hesitation, assuming it might be dull. Instead, he discovered a profound connection to the work and a deep appreciation for serving older adults.

It was during this time that David met Winnie. She holds a PhD in British and American Literature and was teaching at a university in Daegu, South Korea at the time. The two met in Grand Rapids, Michigan, where Winnie had traveled to speak at a conference. Their connection was immediate and lasting. Now married for 13 years, they share a life together with their two sons, Samuel and Benjamin.

David's giftedness in leadership became clear and after a few years as chaplain, he was named the first Spiritual Life Director for SunHealth, a large senior living organization in Phoenix. Overseeing three communities, he built a robust spiritual care program—adding chaplains for each campus and developing meaningful outreach opportunities for residents, even within a setting that was not faith-based.

David's leadership responsibilities continued to grow when he was asked to serve as interim Executive Director for the senior living communities where he worked. He later accepted a permanent role as Associate Executive Director.

“I had a great mentor and truly enjoyed leadership over many moving parts,” David reflects. “But the community served only the wealthy, and over time I grew restless. I missed ministry.” He began exploring opportunities to return to church leadership, but none proved to be the right fit.

It was Winnie who first noticed the opening for Vice President at Advent Christian Village. As David reviewed the position, he felt an immediate sense that it aligned perfectly with his unique blend of ministry and operational experience. In researching the Village, he was especially drawn to its authentic Christian identity that is lived out each day.

“I applied, but they were already considering other candidates,” he recalls. “So, we waited—and prayed. As a family, we were convinced this was where God was calling us.”

In time, the call came. When the Klumpenhowe family arrived in Dowling Park to explore the opportunity, the sense of confirmation was unmistakable.

“As soon as we arrived, we felt like we were on sacred ground,” David says. “We love that the focus here has always been ministry, going all the way back to 1913. So many organizations lose that over time—but this is a rare gem.”

David accepted the position, and in late July 2025, the family made the move to Dowling Park. While David and Winnie embraced the transition with excitement, their sons initially struggled with leaving the only home they had ever known. With time, faith, and encouragement, they came to understand the move as part of God’s plan.

“Any time you go where God calls you, it becomes the land of blessing,” David and Winnie told them—a truth they have come to experience firsthand.

Having spent their lives in Phoenix, the boys delighted in simple new experiences—like the first time they saw a steady rainfall in Florida. Today, they are thriving, enjoying school, fishing, music, and friendships formed through the Village Church Pal Program.

Winnie has also found her place in the community. She teaches at a local Christian school and recently completed training as a Stephen Minister at Advent Christian Village, where she now serves alongside others in providing compassionate care.

In his role, David is helping guide a season of renewal at ACV. Committed to transparency and connection, he has launched “Donuts with David,” a bimonthly gathering where community members can hear updates, ask questions, and, of course, share coffee and donuts together.

Looking ahead, David is both hopeful and confident.

“I see so much good here—and so much potential,” he says. “I have no doubt that ACV will continue to thrive for many years to come. God is at work, and it’s exciting to be part of it.” ♦

## Museum Quality Glimpse of History

The Village Archives hosted a grand opening of their newest exhibit, Dowling Park’s Historic Sawmill. This thriving business, founded by Thomas Dowling, was the hub of a thriving city in the early 1900s, cutting an equivalent of 9 miles of lumber daily and shipping all over the country. It was located on the grounds of what is now Advent Christian Village. This incredible glimpse into local history has been five years in the making, with intricate scale models of all elements of the sawmill, housing, trains, vehicles, water tower, lumber and more. The museum-quality replica was built by Mr. Lyn Williams of Tallahassee, FL, along with a host of volunteers. Included in the display are actual artifacts that were unearthed from the sawmill site at ACV.

All this is available for viewing at the Village Archives located at the Jo Kennon Public Library inside Advent Christian Village. Photos don’t adequately tell the story, come see it in person weekdays from 10 am to noon. You’ll be glad you did! ♦

# What Happens When You Give?

In 2025...

27 senior adults who could not otherwise afford to eat right were able to enjoy hot nutritious meals each day with friends. That assistance is just added to their membership card, so no one knows they are getting that help.

You provided discounts for 117 people — including 22 ministers, missionaries and their spouses — who were able to receive the benefits of ACV membership that includes special pricing on certain ACV features, access to ACV support services, hobbies, wellness center, and emergency and social services.

You helped ACV pay over \$12,500 every month toward Home Care, Housekeeping, Medical Transportation and Meals for members who could not otherwise afford these services.

You and others provided over \$32,000 last year to help those who cannot afford the cost of Assisted Living at Dacier Manor.

65 young people from families with tight finances were able to go to Camp Suwannee by receiving help with the cost this past summer. More than half of them were unchurched. The true importance of this is that 10 of them made decisions for the Lord.

You made it possible for 21 high schoolers to receive specialized leadership training and a college scholarship when they graduate. Sixteen scholarships were awarded last spring.

In addition, Pastors in need of a break from ministry come to ACV for respite and families in crisis are helped on an individual basis.

This and so much more totals over \$408,000 in benevolent help given to senior adults, families and children last year alone!

# MICHAEL WILLIS

## *Stewardship with Purpose*

Advent Christian Village welcomed Vice President and Chief Financial Officer Michael Willis in May 2024, following the retirement of Steve Hett. With a background in nonprofit finance and a heart for mission-driven work, Michael brings both expertise and a strong sense of calling to his role.

Born and raised in Fort Myers, Florida, Michael grew up in the Church of God of Prophecy. He earned both his bachelor's and master's degrees in Accounting and Taxation from Florida Gulf Coast University before beginning his career in his hometown. It was also in Fort Myers that he met his wife, Susie. This year, they celebrate 30 years of marriage. They have two children, Andrew (21) and Katelyn (17).

Three years before coming to ACV, the family moved to Asheville, North Carolina, where Michael served as Financial Controller for a retirement community in nearby Black Mountain. While the role provided valuable experience, the high-end, steep entrance-fee-based model did not offer the same sense of purpose he had found earlier in his work with organizations like United Way and Habitat for Humanity.

After the passing of his father, Michael and Susie began praying about a return to Florida—specifically North Florida, where family connections remain. Around that time, a recruiter contacted Michael about the opportunity at Advent Christian Village.

“My previous position was with a community that was faith-based in name only,” Michael shares. “The Village is completely different. Faith is part of everything here. I felt drawn to it—called, really. And I like the rural setting.”

During his visit to Dowling Park, Michael met with President and CEO Craig Carter and appreciated the openness about both the Village's challenges and opportunities.

“I liked the feelings I got as we talked and I respected how open he was about the struggles of the past few years,” Michael says. “I saw it as a challenge—and an opportunity to make a difference.”

For the two years the family has made a sacrifice: Michael has been living in Dowling Park while Susie and the children remained in Asheville awaiting Katelyn's graduation this spring. Michael's smile is a bit broader these days as the family is now reunited in Dowling Park.

In his role, Michael has been especially encouraged by the people around him.

“My favorite part of the job is the people I work with,” he says. “I was pleased to find the level of competency among the ACV staff—their dedication to their work and genuine belief in the Village.” He feels that strongly with his own team.

Reflecting on recent years, Michael acknowledges the challenges ACV has faced—from the impact of COVID-19 to multiple hurricanes—but remains optimistic about the future.

“When everything shifts into emergency mode, momentum naturally slows,” he explains. “But now there's a renewed energy and a sense of hope. We are moving in the right direction.” ♦

# DARREN BONNVILLE

## *A Journey of Calling and Care*

Darren Bonnvill, Minister of Pastoral Care at the Village Church, traces his roots back to Aroostook County, Maine, where he was born and raised. He and his wife, Cheryl, were classmates from elementary school on. Though they became close friends, their relationship did not turn romantic until after high school.

Darren was raised in the Wesleyan church and came to faith at the age of twelve at summer camp. As a teenager, he often attended youth group with Cheryl at State Road Advent Christian Church. No strangers to ACV, Jim Gilroy (Cheryl's youth pastor) and his wife, Cheryl, played a significant role in shaping Darren's spiritual life.

After graduating from high school, Darren made a sincere commitment to God that he would do anything He asked—but please don't ask him to be a pastor. He pursued an associate's degree in criminal justice and began working as a juvenile probation officer. However, after three years, he recognized that the role was not something he could do long-term.

Around that time, Darren and Cheryl were engaged, and Cheryl was completing her degree in social work at Eastern College. When she accepted a position at a children's home for troubled youth in Philadelphia, Darren was drawn to the same mission and joined the staff as well. During their time in Philadelphia, they married and began building their family.

Not long after, an unexpected question from their pastor would change the course of Darren's life. Asked whether he had ever considered working in a church, Darren initially assumed the role must be custodian. Remembering his earlier promise to serve wherever God called, he agreed to consider it. He was surprised to learn the position was Pastor of Visitation and Follow-Up. With the assurance of mentorship and the opportunity to complete his degree, Darren prayerfully accepted the call.

That decision marked the beginning of 32 years of full-time ministry, including service at the Advent Christian Church in Biddeford, Maine. Known for his deep compassion, Darren poured himself wholeheartedly into each role, often striving to meet every need without pause. Over time, that pace led to burnout, and he made the difficult decision to step away from ministry.

For the next seven years, Darren worked as an insurance agent. As the upcoming retirement of the owner signaled an uncertain future, he and Cheryl began praying for direction.

It was during this season that Darren received a call from Senior Pastor Sam Worley, inviting him to consider the role of Minister of Pastoral Care at the Village Church. After prayerful reflection and a wonderful visit to Dowling Park, the Bonnvilles felt a clear sense of calling. In July 2025, they made the move from northern Maine to begin this new chapter.

Leaving behind their four adult children and two grandchildren (now three) was not easy, but they embraced the transition feeling confident of their calling.

Cheryl serves as a counselor in a local high school, a role she finds deeply fulfilling. Darren has quickly become an integral part of the Village Church pastoral team. Known for his compassion and steady presence, he is regarded by many in both the church and the broader community as a trusted friend. To further equip himself in his ministry of care, he completed Stephen Ministry training at ACV.

In every step of their journey, Darren and Cheryl see the faithful hand of God guiding them—and clearly He led them to Advent Christian Village. ♦

# MYRTLE CASEY AND LAURA PUTNAM

## *Outstanding, Longstanding Members*

At the 2025 Membership Fellowship event, 17 ACV members were honored for their silver anniversary of 25 years or more of membership at Advent Christian Village. The new recognition dubs them as the first Silver Villagers. Each Silver Villager received a silver medallion. Myrtle Casey was recognized as the longest standing member, for 35 years of membership.

Myrtle celebrated her 100<sup>th</sup> birthday on August 20, 2025, at ACV among family and friends. She was born and raised in Morrisville, VT, the second of four daughters born to Mayo and Ruth Putnam. Mayo was a farmer and a lifelong member of the Morrisville Advent Christian Church. He gave to ACV regularly through 5<sup>th</sup> Sunday offerings going all the way back to ACV's founding in 1913. Ruth joined his church when they married and they raised their family there.

As a very young child, Myrtle dealt with pain and limited mobility due to improperly fused bones in her neck. At the age of eight she underwent surgery and was put in cast that covered her entire head with only a small opening for her face. Then she spent two months in the Shriner's Hospital where she endured eight weeks of neck traction, two hours on, two hours off throughout the day. After her hospital stay, she wore a cumbersome neck brace until age 15.

The doctor said that Myrtle would likely be in a wheelchair by the age of 50 and would have nerve damage by age 60—if she lived that long. One thing he was certain of, she would not reach the age of 70 and she would likely never hold a job.

Despite the doctor's predictions, Myrtle became a highly sought-after clerical worker for several local firms, including serving as secretary to the Dean at Johnson State Teachers College.

In 1965, Joe Baucom, the Director of Missions at the Advent Christian denominational headquarters in Charlotte, NC, was finally able to convince her to move south and work as his secretary.

“The Lord has been so good to me” Myrtle says, “He has allowed me to do all the things they said I would never do.”

She lives at ACV now, in an apartment with her sister, Laura Putnam. Laura was also recognized as a Silver Villager for 25 years of ACV membership. She actually moved to Dowling Park before Myrtle but worked as a staff member for many years prior to joining membership in her retirement.

Laura was a missionary in the Philippines for 19 years. When she returned to the US, she helped care for her parents, and in 1982 the three of them moved to Butterfield Acres, just outside ACV. She took a job as Activities Director at ACV's nursing home, which ironically was located in what is now Riverview Apartments, where she and Myrtle currently live.

Laura had her own health crisis in 1989. On the drive home from vacationing with fellow missionary, Luree Wotton, their vehicle was struck by a drunk driver. Luree suffered serious internal injuries requiring immediate surgery. Laura's legs were crushed, and surgery left her with ten six inch pins holding the bones in both

legs together for several months. Getting around was challenging since she was wheelchair bound with her legs straight in front of her. Doctors gave little hope that she would walk again.

Laura, who had been caring for their elderly mother, called and asked for Myrtle's help for two weeks. Myrtle came right away. Laura's recovery would be lengthy and soon they learned that their mother had bone cancer. Myrtle recognized that her help would be needed indefinitely, so she moved to Dowling Park. She gave excellent care to their mother and to Laura, who miraculously did begin to walk again, but not for nearly two years.

In 2018, since Myrtle's health needs had increased, she and Laura moved to an apartment on campus and have been roommates ever since. Now, Laura returns the loving care Myrtle gave to her after the accident. They are each other's best friend and confidante. Myrtle says, "We have a rich life."

Laura is nine years younger, so Myrtle says she isn't sure she'll be here to celebrate Laura's 100th birthday. Laura says, "But you could be for my 95th." Myrtle confidently agrees, "Oh yes."

The sisters are also strong advocates of Advent Christian Village. Myrtle and Laura are both members of the Village Builders' Guild, each having given to ACV's ministries for decades. And even when living outside the Village in homes of their own, they joined ACV's off-campus membership many years ago. Laura said, "We wanted to take part in membership so that we were helping to cover the cost of the benefits we already received just because the Village was nearby and the services we would likely need in the future. We didn't want to join only when an emergency came. We feel that's only right." ♦

## Quick & Easy Ways to Give Beyond Your Lifetime

Many friends of ACV say that they appreciate Advent Christian Village's ministry and would like to set up a gift to help carry it forward after their lifetime. Unfortunately, often their thoughtful intentions are never completed. Discomfort with the topic and the belief that it is a complicated and expensive process can cause people to procrastinate — sometimes until it's too late to create a legacy gift for ACV. Here are a few quick, easy and cost-free ways to do so.

### Retirement Accounts

Retirement accounts (IRAs, 401(k)s, 403(b)s or others) make up the largest portion of their total resources for most people. You can name Advent Christian Village as a beneficiary of the account by contacting your plan administrator. You can specify the entire value, a dollar amount or a percentage of the remaining funds. Traditional IRAs are among the most heavily taxed asset for non-spouse heirs, so leaving them other assets and leaving a traditional IRA to ACV (tax exempt) makes sense.

### Life Insurance

Perhaps you purchased life insurance during your working years to protect your family against the loss of your income. When this need has been met, the life insurance policy becomes a valuable way to leave a legacy gift. The simplest way to accomplish this is to list ACV as the beneficiary of your life insurance policy. You can name ACV as a successor beneficiary also, in case you outlive the primary beneficiary. You may change these beneficiaries at any time during your lifetime.

### Bank and Investment Accounts

Another option is signing a simple form that transfers funds from your bank or investment account to ACV after your death. You continue to manage your accounts throughout your lifetime, then the funds transfer directly to ACV without going through your will. It is one of the simplest *ways to make a legacy gift*.

You can usually accomplish these legacy-giving methods with a phone call, online, or with a visit to your bank. Other methods are reasonably simple, such as a bequest through your will or giving a remainder interest in a personal residence; however, an attorney is involved.

### Let Us Say Thank You

Your generosity ensures continued compassionate care and quality services here at ACV. We would appreciate knowing that you have established a legacy gift for ACV so that we can thank you during your lifetime. You can also call me if you would like more information. ♦

If you have any questions, please contact your estate attorney or Jim Davis at 386-658-5110.

## GAYE MARTIN

### *Loosed to Serve*

Village member Gaye Martin has known about Advent Christian Village since childhood. Raised in the Gainesville Advent Christian Church, she even remembers ACV founder Rev. Burr Bixler visiting her family's home. Though she could not have known it then, the Village would one day become her home.

As a teenager in Miami, Gaye developed a rebellious streak and married at just 16, eventually having three children. During that time, she walked away from her faith—but at 18, everything changed when she attended a revival with her mother.

“I went along to please my mother,” Gaye says, “but it was like that pastor was preaching straight to me. That night, my mother’s God became my God, and I’ve walked with him ever since.”

Despite her renewed faith, her circumstances remained difficult. Gaye was living a painful private life as a battered wife. As the violence escalated and extended to her children, after 15 years of marriage, she made the difficult decision to leave. With no job or degree, she returned to her parents’ home to begin again.

She enrolled in a medical secretary program, secured a job, and started rebuilding her life. In time, she reconnected with Phil Martin, whom she had known in church as a young person. What began through their daughters’ friendship grew into a lifelong partnership. They have now been married for 55 years.

When they married, Phil told her she didn’t need to work. He later changed his mind, saying that he believed she needed the confidence that would come from succeeding at something other than surviving abuse. Gaye reluctantly agreed and became a realtor in Georgia, eventually becoming a partner and training her own team. In addition to sales, she trained others in etiquette and client care—skills she had learned from her mother. Through this experience, her confidence steadily grew.

After returning to Florida in 1979, she served on the board of Central Florida Community College, which led to her teaching adult business classes. Her engaging blend of creativity and humor filled classrooms. Recognizing signs of abuse in some of her students, Gaye began informally ministering to battered women outside of class hours.

“When Jesus raised Lazarus from the dead, only Jesus could do that,” Gaye shares. “Lazarus was alive, but he was still bound by grave clothes. Jesus told the disciples to “loose” him. This was their part in the resurrection of Lazarus. They were to free him from what had him bound.

“God resurrected me. Only He could do that; but I’ve also been “loosed”. A loving community loosed me from all that held me bound. We each need to be part of a community that frees people from their grave clothes. My purpose is to do that for others.

“I’m amazed that God has chosen to use me. I’ve learned that anything that Jesus broke and blessed always multiplied.”

Her ministry grew into a national platform as a speaker and management consultant, working with organizations such as Lockheed Martin, the Smithsonian, NASCAR, and the Rosalynn Carter Institute. She has been featured on **Focus on the Family** and authored a book about her adventures as a private pilot titled, *I Read You Loud and Clear: Say Again?* Even at 86, she continues to speak, now focusing primarily on Christian ministry.

In 2023, Gaye and Phil, along with her daughter Fran Evans, moved to Advent Christian Village.

“I immediately felt that I had fallen into family,” she says.

Her connection to the Village runs deep. Both her mother and Aunt Irene spent their final years at ACV—years her mother described as the happiest of her life. That legacy gave Gaye a natural affection for the community, but what stands out most to her is its commitment to ministry and care.

“Mother was fine financially, but I felt such relief knowing that if Aunt Irene, who had no children, were to have run out of resources, she would not have been put out. There was a safety net through the Benevolent Fund. And it’s done in a Christ-like way. No one knows who is helped.

“It’s the same today. It gives such peace knowing that there is support here when needed. We’re not alone if something unforeseen happens. I would give gold bars [to ACV] if I could.

“The Village is head and shoulders above other places. I would live here in a tent before I’d live anywhere else.”

Over her lifetime, Gaye has experienced both profound hardship and extraordinary grace—and today, she continues to help others find freedom, faith, and community. ♦

## 110<sup>th</sup> Anniversary Capital Campaign Resumes!

We are pleased to announce the relaunch of the 110th Anniversary Capital Campaign! It is exciting to focus on the future once again.

The anchor project of this campaign is the new Environmental Services Center. This facility is a critical need because the storms left the Grounds Department barn uninhabitable, requiring a new home. Once completed, this new facility will house our Maintenance, Grounds, and Housekeeping departments in one location. When all phases are complete, it will include offices, meeting spaces, supply storage, warehouse space and vehicle bays for ACV’s fleet. The result will be greater operational efficiency and enhanced security for some of our most valuable equipment.

The Assisted Living project that was originally part of the 110<sup>th</sup> Anniversary Capital Campaign has been placed on hold while we conduct marketing studies to ensure long-term viability. If you have previously given toward the Assisted Living project, those funds will be held until it resumes. However, if you would prefer to redesignate your gift to support current campaign priorities, please contact me at the number below and we will be happy to do so.

Naming and honor/memorial opportunities for the capital campaign will be unveiled soon. Anyone giving a total of \$2,000 or more for this campaign will have a name of their choosing etched on the next lot of brick pavers in Cornerstone Park.

In addition, the campaign will once again include Cornerstone Projects. These are projects focused on strengthening and enhancing our infrastructure. While they are extremely important, these projects do not lend themselves to traditional donor recognition. Cornerstone Park provides a meaningful place to honor and acknowledge the generosity and lasting impact of these donors. Donors giving \$25,000 or more towards infrastructure projects will be honored at Cornerstone Park.

We invite you to be part of ACV’s future with a gift to the 110<sup>th</sup> Anniversary Capital Campaign. If you would like to discuss these options, please call me at (386) 658-5110. ♦

# Enjoying Life at Advent Christian Village

*Left:* It was a boot-stompin' good time at our Hoedown! *Right:* Our Masquerade Party was a big hit.  
*Below left:* Re-living the Roaring Twenties party; *Below center:* Sock Hop Dance brought back memories

*Below:* Celebrating Myrtle Casey's 100th birthday; *Bottom:* Our annual Golf Cart Race is always popular.

*Below left:* Rotary volunteers served dinner to residents at Dacier; *Below center:* Oktoberfest fun

*Far left:* Miniature horses brought joy to residents at Good Samaritan; *Left:* Thank you to members of the Norman Powell family who helped landscape the Village Centre.

# ENDOWMENTS

These generous people have discovered the key to giving a gift now that provides resources for ACV this year and next year, and the year after that, and the year after that, and on and on ... And these funds will continue to provide income each year, long after the givers are no longer living. Endowment funds can be established with a minimum of \$10,000 paid over a period of up to three years. You can choose the area that the earnings support: benevolence, special programs, services, or facility upkeep, to name a few.

## Alumni Circle Gets A Refresh

The ACV Alumni - those who grew up on our campus in the Children's Program - came back to ACV on May 4, 2025 to dedicate the new enhancements at Alumni Circle. These included lighted artwork, seating and rails and fresh landscaping. The alumni funded and completed the new enhancements in memory of Pomeroy and Jerry Lynn Carter, who led ACV for over three decades and who were like parents to them. Thank you, alums! ♦

# THE PRESIDENT'S COUNCIL

The generous people, churches and other organizations that contribute \$1,000 or more to ACV in a calendar year are members of the President's Council. They help with everything from benevolence to current expenses to special projects.

## *Thank You, Aurora Students!*

*We are so grateful to the students from Aurora University who spent their Spring Break on campus with us and helped with so many service projects, including cleaning outdoor areas around Lake Aquilla and Copeland Community Center, clearing hiking trails, interior renovation work in rental homes, cleaning and organizing storage areas, and assisting residents at Good Samaritan. We are so proud of these young men and women for their servant hearts, positive attitudes and the smiles and goodwill they spread throughout the Village!*

*These 2026 Marvin E. Jones and Forward Fund Scholarship recipients have bright futures ahead of them! Scholarships totaling \$101,000 were awarded this year, thanks to Marvin Jones and other generous donors making investments in the future of local students and ACV staff.*

# VILLAGE BUILDERS' GUILD

## *Faithful Supporters Make Ministry Possible*

What makes ministry possible at Advent Christian Village? It is, in large part, the faithful support of the individuals, churches, and organizations listed on the following pages. These generous partners are the heroes whose compassion and commitment help sustain ACV's mission and ministry each day.

Through their gifts, God works through them as instruments of compassion in Dowling Park, making an extraordinary difference in the lives of those we serve. We are honored to recognize these supporters by listing their names here as an expression of our gratitude for their generosity.

We also celebrate donor generosity through an annual appreciation banquet, where individuals whose lifetime giving to ACV has reached \$5,000 or more are honored for their faithful support. During this special event, we welcome new members into the Village Builders' Guild and recognize those who have reached new milestones in their giving.

Also honored are new inductees to the Perpetual Builders' Guild. These are individuals who have notified us that they have given deferred gifts, such as bequests, annuities, trusts, or have left ACV as a beneficiary of a financial account. These generous individuals often make their largest gift to ACV after their lifetime and leave a legacy of generosity.

Advent Christian Village is deeply grateful for every person, church, and organization that invests in this ministry. Their generosity makes it possible for ACV to provide compassionate care, meaningful community, and Christ-centered service to hundreds of individuals each year.

*\*The legacy of compassion left by Meritorious Life Members of the Village Builders' Guild continues to make a difference in the lives of those served by Advent Christian Village. Therefore, we recognize Meritorious Life Members in perpetuity.*

*Did you know that more than 100 youth attend Camp Suwannee each year? Worship services at the Suwannee Bowl are an overwhelming camper favorite. Through the years, scores of young people have given their lives to Christ at the Bowl.*

The photos on the following pages highlight some of the generous donors recognized at this year's Village Builders' Guild Appreciation Banquet. We were honored to celebrate their faithful support and the difference their generosity makes through the ministries of Advent Christian Village. Many others were also honored within the Village Builders' Guild this year but were unable to attend or chose to remain anonymous. We are deeply grateful for every individual, church, and organization whose support makes this ministry possible. ♦

# PERPETUAL BUILDERS' GUILD

Members of the Perpetual Builders' Guild have notified ACV of their decision to give from their will or other bequest, annuities, charitable remainder trusts, life estate agreements, life insurance and more. While these gifts offer continuing income and/or tax benefits, for many, the personal satisfaction of helping people in need is their true motivation.

## *In Memoriam*

We were greatly saddened by the death of  
 Jerry Lynn Carter,  
 wife of President Emeritus Pomeroy Carter;  
 former board members  
 Dr. Jacki Lloyd, Ronnie Poole, and  
 attorney, John Moxley; and former  
 Good Samaritan Chaplain, Jack Jones.

# ROLL CALL OF DONORS

The names listed here are the many friends who have supported Advent Christian Village 2023-25. (Gifts received July 1, 2022-June 30, 2025. \*) They're the reason that ACV was able to carry out its mission and made it possible to affect the lives of those ACV serves in a positive way. We are deeply grateful!

WINTER Retreat 2026  
at ADVENT CHRISTIAN VILLAGE

The teaching ministry of Dr. Adrian Dixon (*left*) along with worshipful music from Endless Highway (*below*) and Willing Heart were a blessing to all who attended.

## Our Mission

The Mission of Advent Christian Village is to express Christ's love by providing compassionate care and quality comprehensive services for senior adults, families, and children in a secure, supportive residential setting and in the surrounding communities.

### The Core Values of Advent Christian Village:

Because *I CARE*,

I will demonstrate Integrity, Compassion, Accountability, Respect, Excellence

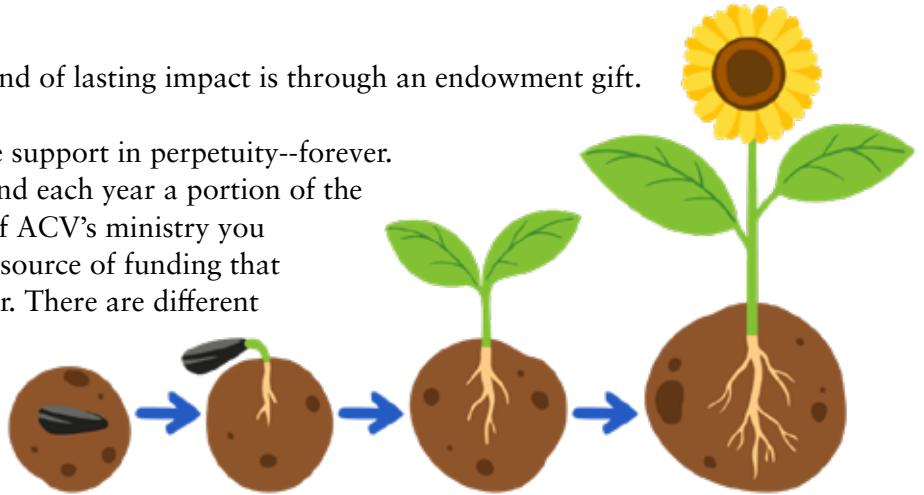

# ***What if your Support for Advent Christian Village Could Continue Beyond your Lifetime — Blessing Others for Generations to Come?***

***It can.***

One meaningful way to create that kind of lasting impact is through an endowment gift.

An endowment is designed to provide support in perpetuity--forever. Your gift is conservatively invested, and each year a portion of the earnings is used to support the area of ACV's ministry you care about most —creating a reliable source of funding that strengthens the mission year after year. There are different options for giving endowment gifts.

1) At Advent Christian Village, you may establish a named endowment fund with a gift of \$10,000 or more. This option allows you to choose the purpose of your fund and creates a lasting legacy by adding your name to the fund or naming it in honor or memory of someone you love.

2) If establishing a named fund is not right for you, you can still make a lasting difference through a gift of any amount to the ACV Endowment. By designating your gift for the “ACV Endowment,” your contribution joins with others to provide ongoing annual support for the benevolent ministry of Advent Christian Village—helping ensure that future generations will experience the same compassionate care and Christ-centered community that ACV provides today. No minimum gift is required—only a desire to make a lasting difference.

3) You may also choose to create an endowment through a planned gift by naming ACV as a beneficiary of your will or a financial account. Let us know and we can record your wishes now through a simple endowment agreement that outlines how you would like your future gift to be used. This simply documents your wishes for any funds coming to ACV after your lifetime. It places no obligation on you and allows you complete flexibility should your needs change during your lifetime.

An endowment is more than a gift—it is a lasting testimony of faith, generosity, and love.

If you would like to learn more about endowment giving—or any other way to support the ministry of Advent Christian Village—I would be honored to talk with you. Please contact me.

ACV Board of Directors at their May 2026 meeting

Welcome to new Board Members Toby Casey, Edress Darcy, JD Hall, Brian Hoyt, Kristi Libby, Justin Nash, Todd Sherwood, and Mark Wolfington!

Our sincerest thanks go to Board Members who retired in 2024 and 2025!

## *Happy 110th Birthday!*

A high point for Advent Christian Village was Founder's Day, December 17, 2023, when we celebrated ACV's 110th anniversary. It was a wonderful time of celebration as we reflected on the faithfulness of God in bringing ACV through all the challenging times it has encountered over the generations. It was a timely reminder of His hand on this ministry through all seasons.
